ACANTO

Strategy, design, emotion

ABOUT US

Acanto is a **strategy and creative agency**. We are an Italian Group with more than **30 years experience** in integrated communication services, developed with our passion for arts and design.

Over the years we have been on the frontline of innovation, following the evolution of communication, graphics, design and technology. Our continuous desire to explore and experiment has led us to distant shores, launching the **Dubai** and **Milan** branches.

Every day companies, institutions and freelancers rely on our creativity, passion and competence to transform their ideas into concrete results.
