

CompuGroup Medical Italia

(SYNCHRONIZING HEALTHCARE)

MISSION: We create the future of ehealth

CompuGroup Medical is one of the **leading e-health companies in the world.**

We effectively provide health professionals and patients with **helpful medical information** for the benefit of all stakeholders in the healthcare system, **always and everywhere.**

PURPOSE

"Nobody should suffer or die because at some point medical information was missing."

Software, Hardware, Services

CGM develops software to **optimize the medical and administrative processes** of healthcare providers, including electronic communication with the patient. These products are designed to support all medical and organizational activities in **doctors' offices, pharmacies, laboratories, hospitals and social welfare institutions.** Its information services for all parties involved in the healthcare system and its web-based personal health records contribute towards safer and more efficient healthcare.
