Product description

Domitys Quarto Verde, a new residence for senior living, offers a **new way of living the third age**: in **full freedom** without giving up your intimacy and with the guarantee of an **active and safe social life**. Living in a Domitys apartment means having **your own home, your independence** with the serenity of enjoying your free time thanks to the services offered by the structure (reception, entertainment, 800 square meters of common areas, swimming pool, restaurant and much more). **Nothing is more important than freedom and security, at any age**. In Domitys you are free to choose.
