**Experiency Srl**  
WE DESIGN YOUR

We are a creative tech studio specialized in experiential marketing.

We believe that technology is an important tool for creativity and can help businesses create engaging experiences that lead to conversions by shortening the traditional marketing funnel.

RETAIL EXPERIENCE  
SOUND EXPERIENCE  
NFTs EXPERIENCE  
AUGMENTED EXPERIENCE  
GAMING EXPERIENCE  
METAVERSE EXPERIENCE

Augmented and mixed reality to create new forms of product and brand storytelling, with applications ranging from improving the purchasing experience to enhancing physical retail, events, and training. By using virtual assistants integrated with artificial intelligence, we are able to create any type of direct and engaging interaction between brands and people.
