

GICAR SpA

keeping your car running

Who we are

Gicar is an Italian chemical manufacturer specialized in automotive functional fluids such as antifreeze & coolants, brake fluids and car detergents.

Gicar is a participating member of ASTM and CUNA as well as represented in the brake fluids Standards Committee of SAE Int. The company exclusively operates in the aftermarket as a third party manufacturer. Main European petrochemical, lubricant and spare part producers are within Gicar's customers portfolio.
