HUNTERS GROUP
Your Aim, Our Business

ASSOLOMBARDA

Filiera Energy Sustainable Global Chain

Hunters Group – a holding company since 2005 – includes 3 divisions specialized in recruitment and head hunting – and an interesting specialization in HR consultancy services.

Founded as a vertical company in the Technical field, through the opening of Executive Hunters, Hunters and JHunters, the Group has developed a strong international network on different market segments – from Top to Middle to Junior Management – with a further focus by field and by functions.

HUNTERS
YOUR AIM, OUR BUSINESS

JHUNTERS
JUST IN TIME!

Thanks to a team of smart and well-prepared consultants and partners, Hunters Group replicates the same structure of the organizations with which it collaborates. The strong field and function specialization is developed by professionals who have gained interesting previous corporate experience, bringing it to the benefit of their work as Head Hunters. Our professional services:

- Head Hunting
- International Hunting
- Diversity & Inclusion Selection
- Assessment Center
- Career Consulting
- RPO
