

Since 2012 IMC has been leading our clients to improve their performance through solutions that, by enabling change, act on people, processes, risks and technologies.

We drive digital transformation processes through a careful search for the most robust and reliable innovative technologies.

Our main clients operate in the Energy & Utilities, Finance and Telco sectors.

| | |
|----|-------------------------------------|
| 01 | BUSINESS PROCESS MANAGEMENT |
| 02 | GOVERNANCE, RISK & COMPLIANCE (GRC) |
| 03 | DIMENSIONAMENTO ORGANIZZATIVO |
| 04 | FUND RAISING, PROPOSAL & PMO |
| 05 | IT STRATEGY & GOVERNANCE |
| 06 | PERFORMANCE MANAGEMENT |
| 07 | IMC SCHOOL |
| 08 | OUTSOURCING & COSOURCING |

Our services are divided into 8 business lines according to specific areas of expertise. Some of the solutions we propose involve the use of technologies and software platforms that can meet the specific needs of our customers.

For this reason, we start with our partners a synergistic plan to refine methodological choices and specific skills.
