

Istituto Ortopedico Galeazzi S.p.A.

Who we are

Founded in 1963, **Istituto Ortopedico Galeazzi** in Milan is one of the first European reference centers for all types of **musculoskeletal diseases** and it is also a center of excellence in research in clinical and pre-clinical medicine.

It's been recognized, in 2006, by the Ministry of Health for its scientific value (**I.R.C.C.S.**).

In 2015, it has incorporated **Istituto Clinico Sant'Ambrogio** and **Istituto Clinico San Siro**.

Istituto Clinico Sant'Ambrogio is a national excellence for the **cardiovascular area** and for the **diagnosis and treatment of obesity**.

Istituto Clinico San Siro has been recognized, over the years, by its **orthopedic and rehabilitative vocation**. In 2017, it has become an extension of Galeazzi regarding the Research activities (**I.R.C.C.S.**).

These three hospitals belong to **Gruppo San Donato**.

Mission

- **Patient centered care** responsive to individual patient needs and preferences.
- **Innovation** through new technologies.
- **SMART service** to ensure greater accessibility.
