

VitalAire Italia – Medicasa Italia

Together, for a better life

Who we are

We are the Air Liquide home healthcare companies with a patient centered approach:

We provide patients care at home and we aim to improve their autonomy, adherence to treatment, clinical outcomes and quality of life.

In Italy we guarantee high quality medical assistance and long term therapies thanks to:

- 26 Medicasa and VitalAire Healthcare Centres
- 700 Collaborators
- More than 1.500 Medical Personnel
