

Ideas with impact

Who we are

Poliedros is a specialised Organisational and Management Consultancy. Together with its partners and associates Poliedros provides bespoke strategic solutions by:

- Thoroughly evaluating and addressing client briefs using a rigorous methodology
- Developing cohesive need-based solutions with resource requirements
- Delivering the highest quality output, combined with subsequent on-going assistance in evaluating ROI via specific follow-up sessions

Our goal is to assist companies in evaluating the strategic choices to address growth opportunities, re-organization needs and change management, providing advice and the most appropriate solutions.
