Life Sciences Network

Who we are

For over 40 years Revorg has been focusing its attention upon the **Life Sciences** market. Thanks to its specific know-how and software solutions, Revorg has become a strategic partner for many of the major Italian and global companies.

With a deep specified approach, Revorg supports companies with the optimization of the business processes, productive as well as commercial.

Revorg is one of the representative vendors of the "Market Guide for Revenue Management in Pharma and Biotech" published by Gartner, Inc. on July 3rd, 2017.
