

RUMMO S.P.A.

Masters in the Art of Pasta since 1846

Who we are

Today in its 6th generation, with passion and dedication Rummo's family have perfected and patented a unique method of making pasta, Lenta Lavorazione® (meaning Slow Processing), which guarantees Pasta with an outstanding cooking performance, thanks to the longer kneading times and to the pursuit of excellence in every phase of the production process.

Our Products

Rummo offers a wide range of shapes (over 100), with which the Benevento based Pasta Factory aims to bring back to the table the excellence and flavor of the great Italian pasta culture, : from the famous Spaghettoni grossi n.220 to the exclusive Fusillotti®, passing through the new Organic Whole Wheat and Gluten Free pasta, dedicated to those seeking more healthy and balanced dishes, without sacrificing the pleasure that only a great pasta can give.
