

“San Marino Mail,,
Easy deliveries. Easy business.

San Marino Mail Italia srl
We don't transport, we deliver,

Who we are

We are the reference point in the delivery of B2B and B2C parcels in Europe, thanks to its excellent knowledge of the sector and its 15 plus years in business. The company's core business is delivering packages in the "last mile". Everything it does is based on the company's founding values: flexibility, dynamism and transparency. Concepts that over time have allowed San Marino Mail to devise an innovative business, model, that entrusts delivery to the most competent and efficient distributors in each country and in each market.
