

SENATO 22 S.R.L.

SENATO HOTEL MILANO

4 stars boutique hotel in the heart of Milan

ASSOLOMBARDA

Confindustria Milano, Monza e Brianza, Lodi

Filiera Attrattività & Hospitality

For over a century, this building was the private home of the Ranza family: four generations of entrepreneurs. In 2015 this residence opened its doors as a boutique hotel with uniquely Milanese hospitality. Its 43 rooms, including 2 Junior Suites, welcome guests in a quiet, elegant setting. The atmosphere is classic Milan—spare, practical, and ideal for welcoming those visiting the city for business, but also travelers seeking to explore the Lombard capital.

Every piece – every armchair and table – is unique, each designed by architect Alessandro Bianchi who arranged and designed the hotel down to the smallest detail.

Senato Caffè, facing a beautiful dehors, is a classic Italian café and the first Urban Franciacorta bar in the world: guests may eat or drink at any hour of the day, reserve a table for lunch or dinner or enjoy a Franciacorta aperitivo, and taste a selection of specialties that have been chosen with both passion and knowledge.
