

The group

With Techniconsult Group, you can develop your project safely, respecting quality, schedule and budget.

Over **35 years of experience** in the Life Sciences industry, **managing all the phases of a project**, both greenfield and brownfield, for major pharmaceutical companies.

One partner for the whole life-cycle of project

Techniconsult Group is one of the few Italian companies able to support its customers during the **whole life cycle of a project**: starting from the consultation stage, to design, to procurement assistance, to site management, to the construction, start-up, commissioning and qualification activities and plant maintenance.

The passion of the Group, is the fundamental characteristic that helps consolidate relationships of mutual trust with clients, creating real **long-term partnerships**.
