SUPPLEMENTARY INFORMATION

A. Proceedings in the Investigation

In a notice published on April 12, 2019 (84 FR 15028), the U.S. Trade Representative announced the initiation of an investigation to enforce U.S. rights in the WTO dispute against the EU and certain EU member States addressed to EU subsidies on large civil aircraft. The April 12 notice, among other things, sought public comment on a preliminary list of EU products (the April 12 list) to be considered for inclusion on a final list of products that would be subject to additional ad valorem duties of up to 100 percent. As announced in the April 12 notice, the Section 301 Committee held a public hearing on May 15–16, 2019, and received testimony from over 40 individuals. Interested persons filed over 600 written submissions, including post-hearing comments.

A number of public comments submitted in response to the April 12 notice requested that the U.S. Trade Representative consider additional products that were not included in the April 12 list for possible inclusion on the final list of products to be subject to additional duties.

B. Consideration of Additional Products

The U.S. Trade Representative has decided to consider an additional list of products set out in the Annex to this notice, which may be included on a final list of products subject to additional ad valorem duties of up to 100 percent. The additional list takes into account public comments requesting the consideration of additional products not included on the April 12 list.

The additional list in the Annex to this notice contains 89 tariff subheadings. These subheadings are valued at approximately \$4 billion in terms of the estimated import trade value for calendar year 2018. If the U.S. Trade Representative determines to take action in this investigation, a final list of products to be subject to additional duties may be drawn from both this and the April 12 lists. As stated in the April 12 notice, the final list will take into account the report of the WTO Arbitrator on the appropriate level of countermeasures to be authorized by the WTO.

C. Request for Public Comments

USTR invites comments from interested persons with respect to the possible inclusion of products from the additional list in the Annex to this notice on the final list of products subject to additional duties. In particular, USTR invites comments with respect to:

- the specific products in the additional list to be subject to increased duties;
- the level of the increase, if any, in the rate of duty; and
- whether increased duties on particular products on the additional list might have an adverse effect upon U.S. stakeholders, including small businesses and consumers.

D. Hearing Participation

The Section 301 Committee will convene a public hearing in the Main Hearing Room of the U.S. International Trade Commission, 500 E Street SW, Washington DC 20436 beginning at 9:30 a.m. on August 5, 2019. You must submit requests to appear at the hearing by July 24, 2019. The request to appear should include a written version of the testimony you expect to give. Remarks at the hearing may be no longer than five minutes to allow time for questions from the Section 301 Committee.

All submissions must be in English and sent electronically via www.regulations.gov. To submit a request to appear at the hearing via www.regulations.gov, enter docket number **USTR-2019-0003**. In the “type comment” field, include the name, address, email address, and telephone number of the person presenting the testimony. Attach testimony, and a pre-hearing submission if provided, by using the “upload file” field. USTR strongly prefers submissions in Adobe Acrobat (.pdf). The file name should include the name of the person who will be presenting the testimony. In addition, please submit a request to appear by email to 301aircraft@ustr.eop.gov. In the subject line of the email, please include the name of the person who will be presenting the testimony, followed by ‘Request to Appear’. Please also include the name, address, email address, and telephone number of the person who will be presenting testimony in the body of the email message.

The www.regulations.gov website allows users to submit comments by filling in a “type comment” field or by attaching a document using an “upload file” field. USTR prefers that you submit comments in an attached document. If you attach a document, it is sufficient to type “see attached” in the “type comment” field. USTR strongly prefers submissions in Adobe Acrobat (.pdf). If you use an application other than Adobe Acrobat or Word (.doc), please indicate the name of the application in the “type comment” field.

File names should reflect the name of the person or entity submitting the comments. Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the comment itself, rather than submitting them as separate files.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters “BC”. Any page containing business confidential information must be clearly marked “BUSINESS CONFIDENTIAL” on the top of that page and the submission should clearly indicate, via brackets, highlighting, or other means, the specific information that is business confidential. If you request business confidential treatment, you must certify in writing that disclosure of the information would endanger trade

secrets or profitability, and that the information would not customarily be released to the public. Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public version should begin with the character “P”. The “BC” and “P” should be followed by the name of the person or entity submitting the comments or rebuttal comments. If these procedures are not sufficient to protect business confidential information or otherwise protect business interests, please contact the USTR Section 301 line at (202) 395-5725 to discuss whether alternative arrangements are possible.

USTR will post submissions in the docket for public inspection, except business confidential information. You can view submissions on the <https://www.regulations.gov> website by entering docket number **USTR-2019-0003** in the search field on the home page.
